

RII20715 – Certificate II in Civil Construction

Overview

This course provides participants with practical civil skills including the use of hand and power tools, operation of small plant and equipment, spreading and compacting materials, controlling traffic, concreting and industry relevant licences such as Yellow Card and Forklift.

Duration

This program is offered as a 12 Month Australian Apprenticeship Training Contract.

You will be assigned an ATEC Case Manager who will work with you and your employer to develop a Training Plan that suits the needs of you and your employer.

Assessment

There are theory and practical training and assessment components to the course. Skills will be trained and assessed through a blend of off-the-job (trade school), self paced study and on-the-job training.

Entry Requirements

Participants **MUST**:

- Be signed into an approved Training Contract with an employer through an Australian Apprenticeship Support Network
- Be 16 years or older for a standard apprenticeship training contract; or
- 15 years or older for a school based apprenticeship training contract
- Be an Australian/New Zealand Citizen or hold an eligible VISA.
- Have the ability to read, write and understand basic English and carry out basic mathematical calculations.

Course Fees

Full Fee

\$4,125.00 (GST exempt)

Note: Fee for Service students (full fee paying) are required to pay a deposit (to a maximum of \$1500) with the balance of fees due prior to the completion of training. Alternately, payment by direct debit can be arranged with a deposit required for this option.
